GOD'S MASTERPIECE

EARLY CHILDHOOD CRAFT | LESSON 1

HEART MASTERPIECE

This week, we are teaching the children that they are God's masterpiece because they are His special creation. To help them understand this concept, they will each decorate their own heart outline and then place them on the collage. We want the children to be reminded that God made us simply because He wanted to love us.

DIRECTIONS

PREP BEFORE SERVICE

1. Print out the Heart Outline printable on white cardstock and cut out.
2. Print the collage poster to the size best for your class attendance.

PRIOR TO SERVICE

1. Hang the collage poster in the classroom.

DURING THE SERVICE

1. Distribute various craft supplies to each table.
2. Give each child one heart outline and write their name on the back.
3. Invite the children to color and decorate their heart.
4. Read the teaching objective to the children.
5. As each child finishes, help them put their heart around the collage poster for all to see.

**Provide various craft supplies such as pipe cleaners, glitter glue, stickers, tissue squares, wrapping paper scraps, etc.*
