

DOOR #1

Warm for the Winter!

You have chosen to partner with Paul Burke and his team who serve the homeless in downtown Toronto.

In the polling feature, add this question:

How should we partner to keep the homeless warm this winter?

- A. Operation Marie Kondo: Clean out your winter closets. Donate men's and women's winter jackets, hoodies, sweatpants to those that will need them on the streets this winter. Purchase new socks and underwear.
- B. Option A + create a flyer to distribute to friends and family to join you in this project. Make this a friends and family clothing drive.
- C. Option A OR B + distribution with Paul Burke downtown of the items you collect. Let's go ALL IN!
- D. On second thought, let's try a different door.

When all your items are gathered, contact Paul Burke at (647) 828-7117 for drop off and/or distribution information.
