

DOOR #2

Markham Food Bank!

You have chosen to serve and bless this amazing community organization that is a partner of *the bridge*.

In the polling feature, add this question:

How should we serve the Markham Food Bank?

- A. LifeGroup Food Drive: Collect within your group and arrange a time to drop it off together at the Markham Food Bank. You can have a physically distanced chat and prayer time in the parking lot!

- B. "Spread the Love" Food Drive: Let's go **ALL IN** and invite our friends and neighbours! Each group member sponsors a mini food drive on their street. Let's get those shelves stocked. For details on how to do this, a flyer template, and some encouragement and coaching, contact Joanne Taylor. See below for contact info.

- C. Volunteer on-site at the Markham Food Bank.

- D. Explore a different door!
