

## **DOOR #4**

### *Choose Your Own Mission!*

**Option 1:** Adopt a missionary. We have two local missionaries, and two international missionaries. Email [onmission@thebridgemarkham.com](mailto:onmission@thebridgemarkham.com) to learn more about these opportunities.

**Option 2:** DIY. You may have an ongoing cause or partnership that your group is pursuing. Start the year off right by planning something that you will do within the next month that reconnects you to this project.
