

SEASONAL GROUP: CAREER COACHING

The Career Coaching Seasonal Group is designed to assist job seekers in the development of job search strategies, tools, and personal marketing plans to reduce the transition time seeking employment.

Each week we'll review topics to assist with the professional career skills you need to be successful in planning your career and seeking the next career position. Whether you are a retail associate, engineer, tradesman or executive, this is the place to learn about career growth/ transition and put it into action!

Each participant will receive an e-book to help you organize and plan your career transition. There will be activities every week aimed at helping you gain an understanding of

Career planning: If you are unemployed, underemployed, advance career, simply come prepared to learn.

Resume Writing: Every resume looks different because every job seeker is different. Come and learn about the different resume styles, templates and structures to showcase your career experience and value proposition.

Interviewing

Improving your interview skills takes practice we will explore some key do's and don'ts, how to prepare for an interview, & tips on how to answer tough questions during an interview

Personal Branding/Networking: Did you know that 95 percent of recruiters and hiring managers utilize LinkedIn as a major sourcing tool to find candidates? This session will provide you with tips on how to tell your career story. Discover the hidden job market, access referrals and learn to connect with recruiters.
